

2018 – WIRELESS INTERNET INFORMATION AND ORDER FORM

NEW for 2018: Midwest Homeschool Convention Wifi Requirement

In order to assure a better convention experience for **all** of our exhibitors, and in accordance with the venue's requirement that they be the sole Wifi provider, the rules prohibiting outside Wifi access must be strictly enforced by both GHC and the Duke Energy Convention Center. In other words, "rogue" devices which provide Wifi will *not* be permitted.

As always, we are committed to serving you, our greatly-appreciated exhibitors, as best as we possibly can. To that end, we have negotiated a wireless internet connection special rate of \$50/device for the three days of the convention. The rate is valid through April 2nd for this year's Midwest Homeschool Convention. Please note that this represents a substantial discount, as the usual price is \$159.99 per device.

Pricing: (per device for the three days of the convention)

Pricing is \$50 if you sign up by April 2ndth.

Pricing is \$75 if you sign up between April 2ndth – April 10th

Pricing is \$100 if you sign up after April 10th or at the convention.

Details:

Important: The wireless internet service at the Midwest Homeschool Convention will only support 5 GHz. Please make sure your device will support 5Ghz. *If your device is not 5Ghz-capable, you will need an adapter for 5Ghz. Some older 2.4Ghz tablets that can accept 5Ghz adapters will now be able to use this wireless service. Those with only a 2.4Ghz-capable device will likely need a wired internet connection.*

Will the wireless internet be a secure internet service?

This is a secure standard internet service where you will get speeds of 1.5 Mbps upload and 1.5 Mbps download.

How will I receive my Wifi connection?

You will receive the SSID/Network name, username, and password in your exhibitor packet when you check in to set up your booth space.

How do I obtain a hard line internet connection to my booth space?

Visit SmartCity's website to order at orders.smartcitynetworks.com/ordering.aspx. For questions or assistance, call (513) 266-8104. Main contact: Arnold Chavez. Email: achavez@smartcity.com.

Term of Use: Please read:

<https://smartcitynetworks.com/terms-of-use/>

Interference or reliability issues Information

Wireless service is inherently vulnerable to interference from other wireless devices that transmit similar frequency. Smart City cannot guarantee that interference will not occur and is limited on the amount of support that can be provided in that instance. **Smart City does NOT recommend wireless service for event-critical services such as registration, presentations or product demonstrations. See above instructions on how to obtain a hard line internet connection.**

Refund Policy

If your company's WiFi application is approved and payment is processed, all related payments for wireless internet service are **non-refundable**.

Dispute Resolution

Any dispute, claim, or controversy that arises out of or relates to this Contract, or to its breach, shall be settled by Christian arbitration by submitting the matter to an arbitrator, the president of the National Center for Life and Liberty or his delegate. The written decision of the arbitrator shall be final and binding on all parties, and judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction thereof. There shall be no appeal from the decision of the arbitrator.
